

Suggested Competency Framework: Working Around Utilities

Managers/Supervisors –

Course Title: [EUSR Supervision of Utilities Works – Construction Operations](#)

The course card features the EUSR logo, a star icon, and the text 'EUSR Supervision of Utilities Works: Construction Operations 180001'. It includes icons for water, electricity, gas, and recycling, a photo of a man, and a QR code. The text 'Check registrations at www.eusr.co.uk' is at the bottom.

Operatives using Locating Equipment (Cat & Genny) –

Course Title: [EUSR Category 1 – Locate Utility Services \(HSG47\)](#)

The course card features the EUSR logo, a star icon, and the text 'EUSR Category 1: Locate Utility Services (HSG47) 180001'. It includes icons for water, electricity, gas, and recycling, a photo of a man in a hard hat, and a QR code. The text 'Check registrations at www.eusr.co.uk' is at the bottom.

Operatives Excavating (Safe Digging) –

Course Title: [EUSR Category 2 – Implement Safe \(Digging\) Excavating Practices](#)

The course card features the EUSR logo, a star icon, and the text 'EUSR Category 2: Implement Safe Digging Practices 180001'. It includes icons for water, electricity, gas, and recycling, a photo of a woman in a hard hat, and a QR code. The text 'Check registrations at www.eusr.co.uk' is at the bottom.

Remember, you can combine both Locating and Safe Digging into a single 1-day course: [EUSR Combined Category 1 & 2 – Locate Utility Services and Implement Safe \(Digging\) Excavating Practices.](#)

Optional NVQ Progression Route with Free Registration

Upon completing either the EUSR Category 1 or 2 courses, or the combined approved courses, PGL Midlands proudly offers an optional progression route to achieve NOCN_Cskills Awards Level 2 NVQ Certificate in Roadbuilding and Maintenance (Construction) - Locate and Excavate Utilities (NVQ Blue Skilled Card).

How Does This Work?

The EUSR 1 & 2 courses cover much of the criteria needed for the NOCN_Cskills Awards Level 2 NVQ Certificate in Roadbuilding and Maintenance (Construction) - Locate and Excavate Utilities. With just a few additional steps, delegates can progress to their NVQ with minimal disruption to their on-site duties. Our trainers are also assessors, ensuring that this optional route is achievable without any compromise on quality. Enrolment for the NVQ can take place on the day of your chosen EUSR course if you decide to pursue this qualification and be completed within days.

What Will You Gain?

In addition to the in-demand EUSR course qualifications, you will also earn a lifetime qualification that allows you to apply for a Blue Skilled Worker card through CSCS - NOCN_Cskills Awards Level 2 NVQ Certificate in Roadbuilding and Maintenance (Construction) - Locate and Excavate Utilities.

How Much Will It Cost?

If you opt in to pursue the NOCN_Cskills Awards Level 2 NVQ Certificate in Roadbuilding and Maintenance (Construction) - Locate and Excavate Utilities, we will register you for FREE. The cost for this NVQ is £600. Once the NVQ process is completed, PGL will claim back the £600 for you (as we are an ATO), making it cost-neutral to you (FREE).

For more information, please speak to our team.

Benefits

- ✓ Approved and verified training qualifications from the leading awarding body within Utilities – EUSR.
- ✓ Brought to you by the training provider of the year 2024 award winners.
- ✓ Delivered to you by approved, qualified and experienced tutors.

- ✓ A ready-made training competency Framework that adds value.
- ✓ Better planning, understanding and training full stop.
- ✓ Best practice implementation and advice throughout to underpin your own Safe System of Works.
- ✓ Satisfy various client and tier one contractor's requirements and demonstrate competency when tendering and working.

Course Options & Dates

We offer training at our various centres with dates available on our [training calendar](#). If you have multiple delegates, we can arrange dedicated courses at our centres or at your site, subject to the right resources and conditions.

PGL Midlands is an award-winning training provider and an Approved Training Organisation (ATO). What does this mean for you? Our quality standards align with CITB short course standards, allowing you to claim money back per person for attending. PGL will handle this for you! Below, you'll find how you can offset your costs towards utilities training.

Locate Utility Services

- £60 (Tier 1) per person

Safe Digging Practices

- £140 (Tier 2) per person

Combined Locate Utility Services & Safe Digging Practices

- £60 (Tier 1) per person

Optional - NOCN_Cskills Awards Level 2 NVQ Certificate in Roadbuilding and Maintenance (Construction) - Locate and Excavate Utilities in Construction

- £600 Per person

Notes:

Please note that the New EUSR **Supervision Of Utilities** course is new and currently under review with CITB for ATO short course grant acceptance. To qualify for these levy grants, you must be a levy payer.
